Rozgar Yojana (JRY) during the current year is Rs. 2100 crores. It was the same during the year 1989-90 also.

(c) Progress under the Yojana is assessed on the basis of periodical reports/returns *viz.*, monthly, quarterly and annual progress reports, received from the State/U.T. Governments. During 1989-90 the provisional figure of expenditure incurred under the Yojana was Rs. 243200.67 lakhs and the provisional figure of employment generated was 8599.07 lakh mandays against the target of 8757.25 lakhs mandays. The achievement in respect of employment generation is thus 98.19 per cent.

(d) There is no proposal to abandon JRY. However, based on the feedback from the implementing agencies and other concerned quarters, the JRY has been restructured in the interest of better implementation of the programme.

Modern Technology for Sugar

1108. SHRI SHIV PRATAP MISHRA: Will the Minister of FOOD AND CIVIL SUPPLIES be pleased to state:

(a) whether Government are aware that use of modern technology yield better sugar recovery from cane; and

(b) if so, the steps Government propose to take in this direction?
